A collage of six photographs showing various stages of a furniture manufacturing process. The top-left photo shows two workers at a large table saw cutting wood. The top-middle photo shows a worker operating a machine to shape or finish a piece of wood. The top-right photo shows a worker operating a large industrial machine, possibly a CNC router or a similar precision-cutting device. The bottom-left photo shows a worker operating a machine that appears to be sanding or finishing a piece of wood. The bottom-middle photo shows a worker operating a machine that is likely used for assembling or joining wood components. The bottom-right photo shows a large, modern furniture store or showroom with many finished wooden chairs and tables on display.
