The diagram illustrates the 8 steps of the furniture production process in a circular flow:

- DESIGN**: Represented by a circular image showing 3D wireframe models of furniture components.
- MATERIAL SELECTION**: Represented by a circular image showing a cross-section of different wood types and veneers.
- CUTTING**: Represented by a circular image showing a CNC machine cutting a piece of wood.
- DRYING**: Represented by a circular image showing a large stack of wood planks in a drying kiln.
- MACHINING**: Represented by a circular image showing a person operating a machine to shape wood.
- ASSEMBLY**: Represented by a circular image showing hands assembling wooden components.
- PAINTING AND COATING**: Represented by a circular image showing a person applying paint or varnish to a wooden surface.
- PACKAGING**: Represented by a circular image showing finished furniture pieces wrapped in protective material and secured with straps.
